INTRODUCTION

This catalog includes the periodical holdings of the San Francisco Public Library, Main Library, Civic Center; the Business Branch Library, 530 Kearny Street; and the Peninsula Libraries listed on pages iv, v, vi, vii.

Holdings for the neighborhood branches of the San Francisco Public Library system are included only if the title is unique to the branch, or if the branch has larger holdings than the Main Library.

Holdings in this catalog are current as of June 1, 1986.

ORGANIZATION

Titles are listed alphabetically, word by word. Newspapers are listed separately in the blue section at the back of the catalog.

In a case where two or more periodicals have the same title, they are distinguished by the place of publication following the title, e.g. FANFARE (LOS ANGELES, CALIF.).

If the two like titles have the same place of publication, the beginning publication dates will also be included, e.g. FACTORY (NEW YORK, N.Y. : 1907).

Titles beginning with the initials U.S., standing for United States, will be filed as though spelled out.

Periodicals are listed under the latest title with "SEE" references from earlier titles in the Library's holdings.

Journals, transactions, bulletins, proceedings, etc., are usually listed under the names of the organizations which published them, unless they have distinctive titles. When in doubt, check in both locations.

A selection of government documents, symposia, and yearbooks is also included, but is not definitive. For items not found, check also the Main card catalog and the Documents Department at S.F.P.L, and the individual Peninsula libraries.

FORM OF ENTRY

Immediately below the title of the periodical are any descriptive notes, followed by the holdings for the San Francisco Public Library, indicated by "SFPL". The column to the right of the title shows the subject department or branch in which that title is located, and the call number. These locations and call numbers refer to San Francisco Public Library only.

When a row of asterisks (*******) is printed beneath the SFPL holdings, it is followed by the holdings of the Peninsula Library System with symbols to indicate the names of the member libraries. A list of these libraries and their symbols begins on page iv.

Occasionally, a title will have no holdings statement above the row of asterisks. This means that SFPL does not own the periodical, and only the Peninsula libraries listed below the asterisks carry it.

SYMBOLS IN CALL NUMBER COLUMN

* Title is available for reference use only and may not be borrowed.

F Title is folio sized and may be shelved in a separate location with other large-sized books in the department.

D Title is a government document located in the Science and Documents Department.

B Title is biographical and located in the History Department.

J Title is located in the Children's Department.
